The Dartmouth

4 Bedrooms, 2½ Baths
Family Room and
Two Car Garage

The two-story Dartmouth is a special home indeed. Consider its dramatic volume ceiling throughout the living and dining rooms, the soaring stairway and the spacious covered patio. Move into the perfect kitchen with energy efficient appliances, full pantry, counter service area and adjoining bay-windowed breakfast area. Experience the majesty of a family room of dramatic proportions and volume ceiling.

In a world of its own, the first floor master suite carries on the dramatic tone of this home. Two spacious walk-in closets with mirrored bypass doors frame a convenient dressing area leading to an efficiently luxurious bath. Gleaming tiles and cultured marble abound. Double sink vanity, separate Roman tub, glass enclosed shower and an enclosed toilet provide the ideal environment for pampering.

Don't miss the voluminous storage capacity of the laundry room including a large space under the stair. Then glide upstairs to three full bedrooms, each with oversized windows, and a full bath with nearby linen storage.

Whatever your style, you'll live it with more style in the spacious and gracious Dartmouth.
